♿ - All Metro service is accessible

METROLink

*MetroLink is a new service from NFTA-Metro designed to meet the specific needs of North Tonawanda and Wheatfield residents. It serves both major and local destinations not previously served by Metro. MetroLink quickly gets you to work, the doctor, the store, or to visit friends and family.*

*MetroLink also connects with other Metro bus routes, making it easy for you to get nearly anywhere in the region.*

*The fare on MetroLink is the same as regular Metro service: $1.50 (exact change), token or valid Metro Flash Pass. Regular transfer charges apply.*

*Leave your car. Avoid parking fees. Buy less gas. Let someone drive you around for a change. You'll be amazed how relaxing it can be and how much money you can save.*

*For more information on how MetroLink can best help you, call 855-7211 or visit www.nfta.com.*
