METRO'S NIAGARA FALLS TROLLEY

Free for guests of participating hotels

With a Trolley Day Pass guests of participating hotels ride free all day, including connections to Metro Bus and Metro Rail.

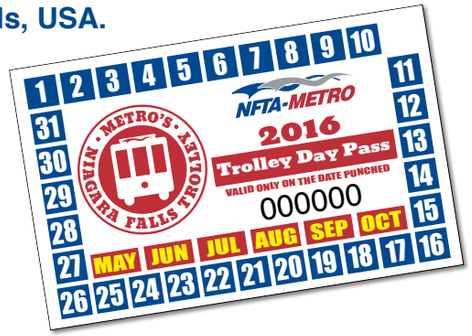
Metro's Niagara Falls Trolley (red line) serves Niagara Falls Blvd., Pine Ave., Niagara Falls International Airport and downtown Niagara Falls, USA.



Trolley Day Passes, with a tracking number, are available at participating hotel registration desks. A Metro operator will validate the pass on a passenger's first boarding, making the pass good for the whole day.

Trolley Day Passes must be validated in Niagara County and then are valid on all other regular Metro bus and rail service as well.

Passengers without a Trolley Day Pass from a hotel may use trolley service with any valid Metro pass or $2 cash fare. Senior citizens (65 and older), individuals with disabilities, Medicare cardholders with proper ID and children ages 5-11 pay reduced fares (see nfta.com for details). Children four and under ride free with a fare paying adult, a limit of three free children per fare paying adult. All Metro vehicles are wheelchair accessible.

A regular Metro bus may be substituted for a trolley bus on occasion. Please look at the destination signs on the bus. All buses serving as a trolley will say:

Metro's Niagara Falls Trolley / Niagara Falls Downtown
or
Metro's Niagara Falls Trolley / Niagara Falls Airport

You can always ask your bus operator if you are not sure of the destination or route.

Hotel personnel are not eligible to use Metro's Niagara Falls Trolley Day Passes. If operators suspect employees of improper use, the appropriate hotel will be notified and action taken. Operators cannot accept trolley passes that have been tampered with in any manner.
