How to read this timetable

Find the timepoint nearest you across the top of the table. Read down that column to the time you want, then read across the same row to see when that bus reaches each later timepoint. If your stop is between two timepoints, be there a few minutes before the earlier time. Times in bold are PM. A dash means that trip does not stop there. The numbered circles match the timepoints on the route map.

Holiday service

- Holidays run the Sunday schedule. Check metro.nfta.com for the current holiday list before you ride.
